Mrs. Minnie Eva Gardner Dead

Last week our hearts were saddened by the announcement of the death of a young wife in the bloom of womanhood. This week we are called upon to chronicle the death of Minnie Eva, the beloved wife of Thomas Gardner, and eldest daughter of Thomas B. and Susan Moorman, of this county, which occurred at her father's home on Saturday, the 21st inst. For many years she has been almost an invalid. She gradually grew worse and thirteen months ago was forced to give up her home hold duties and moved to her father's where husband and loved ones so faithfully ministered to her every wish. Everything was done for her that willing hearts and loving hands could do, but God, in whom she had so faithfully trusted, saw best to release her of her sufferings. She fully realized her condition and often spoke of death as a sweet release. Just before the end she called the family to her bedside and told them "goodbye" On Sunday afternoon a large concourse of sorrowing friends and relatives gathered at the family burying ground to pay he last tribute of respect to one they had loved so well. The funeral services were conducted by her pastor, Rev. W. Dunlap. At the grave some of her favorite hymns were sung, "Safe in the Arms of Jesus," "Some One Day" and "We'll Never Say Goodbye in Heaven." The pall bearers were Messrs. Howard Harding, Willie Walton, James Burge, William Harvey, Royall Harding and Clarence Drinkard. The grave was covered with many beautiful flowers. The flower girls were Misses Annie Drinkard, Lucy Patteson, Alpha Bell and Edna Drinkard.

Besides her husband and parents she leaves to mourn their loss one sister and brother, Irene and John Moore, Jr.

The dealings of God with his children are hard to understand, but at all times let us look to Him for help and pray for strength to say "Not my will but thine O Lord be done."

"The Lord can give and the Lord can take away, so blessed be the name of the Lord"

Rev. Floyd Bloxton Dead.

On March 4th the death angel entered the home of Floyd E. Bloxton and claimed for his own the father of this home, being the third time he had visited this family in less than a year. Mother, father and now the eldest son, has been called to his reward. He was the eldest son of the late Charles and Clementine Bloxton, of Appomattox county, was born May 7. 1867 and was a young man of sterling qualities, not a blemish being on his character. For many years he taught in the public schools of his native county and was very successful in this work. His influence is still felt wherever he had the tutorship of the young, however he thought a nobler work for his master awaited him When in April 1896 he began in the work of the ministry and in 1898 joined Willmington Conference M. E. Church North, served at Bishopville, Crampton, Trapye, Smith's Island, Nanticoke, Md., where he died faithful to his master at his post of duty. He was married June 9th, 1896 to Miss Emily Dreshane, of Cecil County, Indiana. Besides his wife and two little daughters, who survive him, he leaves three brothers and two sisters to mourn their loss. He was ill for only a short while having died of paralysis. The remains were brought to Reedy S rings Church and interred by the side of his father, who died two weeks previous. We know not why one so young, or just in the prime of life should be snatched away so quickly from his loved ones, but He who knows all things, knew that it was well to take this child of his home, to dwell with him, for he that gave him, just for a while, had a right to his own.

Not one but in the coming years.
It may be in a better land.
We'll read the meaning of our tears
And then, ah then, we'll understand.

If William D. Haywood, ex-secretary of the Miners association is permitted to talk long enough, he may convince the country that the President knew what he was about when he closed him as an undesirable citizen.

"What has become of the old fashioned boy who used to offer to fight a smaller boy on his kaees with one hand tied behind him?" asks the Atchison Globe. Why, we understand he is married and gets all the fighting he wants.

A Mineral Water that Defies Drugs
NATURE'S GREAT BLOOD TONIC

The recent drug exposures in this Country have proven to all that deadly poisons and stimulants urk in many Patent Medicines. You never know when you might be taking some of that class.

Nature has made ample provision for restoring vigor and vitality to humanity, and the public, as well as doctors, resort to Natural Remedies, when all others have failed.

Are you troubled with **Dyspepsia, Nervousness, Malaria, Kidney or Bladder Trouble, Chronic Diarrhoea or Dysentery,** and above all, that dreadful disease **Scrofula,** which has almost baffled human skill, or **Diseases peculiar to Females?**

Piedmont-Bedford Concentrated Iron & Alum Water

Is Nature's Remedy for Nature's Ills. Yes, when you consider that disease comes from impoverished or run down conditions of the system, this Natural Mineral Water furnishes the system what it needs.

The analysis of this Water, shown on the bottle, tells you what **Nature thinks you should take when sick,** and the doctor who reads it will agree.

Do you think the grouping together in this Water of 17 different minerals, which are recognized by medical writers as **most powerful blood tonics,** could have been accidental? Reason answers, NO!

An 18-oz bottle of Piedmont-Bedford Concentrated Iron and Alum water contains all the minerals of 25 gallons of the average natural water—Then **why buy a barrel of water when you can get a bottle of minerals at the trivial cost of one dollar.** The dose is a teaspoonful in a glass of your own spring water.

How this Water acts upon the system is not clearly known. It is judged mainly by its works. It has cured all the diseases mumerated above, and many more, evidently through its action as a powerful **BLOOD TONIC.**

We have many valuable certificates, which we will be glad to mail, if you are interested.

Many Will be Helped by It.

Mix the following by shaking well in a bottle and take in tablespoonful doses after each meal and at bedtime.

Fluid Extract Dandelion, one half ounce; Compound Kargon, one ounce; Compound Syrup Sarsaparilla, three ounces. A local druggist is the authority that these simple, harmless ingredients can be obtained at a nominal cost from our home druggists.

The mixture is said to cleanse and strengthen the clogged and inactive kidneys, overcoming Backache, Bladder weakness and Urinary troubles of all kinds, if taken before the stage of Bright's disease.

Those who have tried this say it positively overcomes pain in the back, clears the complexion and regulates urination, especially at night, during even the worst forms of bladder weakness.

Every man or woman here who feels that their kidneys are not strong or acting in a healthy manner should mix this prescription at home and give it a trial, as it is said to do wonders for many persons.

The Scranton (Pa.) Times was first to print the remarkable prescription in October of 1906, since when all the leading newspapers of New York, Boston, Philadelphia, Pittsburg and other cities have made many announcements of it to their readers.

Pamplin City.

Polk Miller and his famous quartette have been secured to give an entertainment at Pamplin City on Thursday evening, April 2nd, for the benefit of the new High School building. The committee is making arrangements to accommodate a large crowd. Mr. Miller has been talking of giving up the lecture platform and this may be the last opportunity the people of this section will have to hear him before he will retire to private life. It is hoped Mr. Miller will have a large audience and efforts are not being spared to make the occasion a great success. Those who have not heard the celebrated Southern entertainer will spend an evening under the spell of the old Southern songs and all who have listened to his stories and banjo will be the more anxious to hear him again. Not only will those who come be entertained to their heart's content but will also contribute towards the new High School building.
